NVA-ACI-30DAY-SUB	Cisco ACI 30 Day Subscription	30 Day Subscription License to model 1 Cisco ACI Tenant. Licenses not transferrable once used. Includes Premium Support.	\$ 2,744.00
NVA-ACI-PERP	Cisco ACI Software Defined Data Center Perpetual	Perpetual License to model 1 Cisco ACI Tenant	\$ 9,800.00
NVA-ACI-SUB	Cisco ACI Annual Subscription	Annual Subscription License to model 1 Cisco ACI Tenant. Licenses not transferable once used. Includes Premium Support.	\$ 2,744.00
NVA-ACI-SUB-PLUS	Cisco ACI Annual Plus Subscription	Annual Subscription License to model 1 Cisco ACI Tenant. Licenses not transferable once used. Includes Premium Plus Support.	\$ 2,853.76
NVA-AWS-30DAY-SUB	Amazon Web Services Virtual Private Cloud 30 Day Subscription	30 Day Subscription License to model 1 Virtual Private Cloud. Licenses not transferrable once used. Includes Premium Support.	\$ 2,744.00
NVA-AWS-PERP	Amazon Web Services Virtual Private Cloud License Perpetual	Perpetual License to model 1 Virtual Private Cloud	\$ 9,800.00
NVA-AWS-SUB	Amazon Web Services Virtual Private Cloud Annual Subscription	Annual Subscription License to model 1 Virtual Private Cloud. Licenses not transferrable once used. Includes Premium Support.	\$ 2,744.00
NVA-AWS-SUB-PLUS	Amazon Web Services Virtual Private Cloud Annual Subscription Plus	Annual Subscription License to model 1 Virtual Private Cloud. Licenses not transferrable once used. Includes Premium Plus Support.	\$ 2,853.76
NVA-AZR-30DAY-SUB	MSFT Azure Virtual Network 30 Day Subscription	30 Day Subscription License to model 1 MSFT Azure Virtual Network. Licenses not transferrable once used. Includes Premium Support.	\$ 2,744.00
NVA-AZR-PERP	MSFT Azure Virtual Network Perpetual	Perpetual License to model 1 MSFT Azure Virtual Network.	\$ 9,800.00
NVA-AZR-SUB	MSFT Azure Virtual Network Annual Subscription	Annual Subscription License to model 1 MSFT Azure Virtual Network. Licenses not transferable once used. Includes Premium Support.	\$ 2,744.00
NVA-AZR-SUB-PLUS	MSFT Azure Virtual Network Annual Subscription Plus	Annual Subscription License to model 1 MSFT Azure Virtual Network. Licenses not transferable once used. Includes Premium Plus Support.	\$ 2,853.76
NVA-CIS-AWS-BUND-30DAY-SUB	CIS AWS Bundle 30 Day Subscription	30 day subscription for all available CIS content for AWS. AWS CIS content dependent on content availability by third party. Support provided at the same level of device licenses.	\$ 411.60
NVA-CIS-AWS-PERP-BUND	CIS AWS Bundle All	Perpetual license for all available CIS content for AWS.	\$ 1,470.00

NVA-CIS-AWS-SUB-BUND	CIS AWS Bundle Annual Subscription	One year subscription for all available CIS content for AWS. Support provided at the same level of device licenses. AWS CIS content dependent on content availability by third party.	\$ 411.60
NVA-CIS-AWS-SUB-BUND-PLUS	CIS AWS Bundle Annual Subscription Plus	One year subscription for all available CIS content for AWS. Support provided at the same level of device licenses. AWS CIS content dependent on content availability by third party.	\$ 428.06
NVA-CIS-BUND-30DAY-SUB	CIS Bundle 30 day subscription	30 day subscription for all available CIS content. CIS content dependent on content availability by third party. Support provided at the same level of device licenses.	\$ 36.75
NVA-CIS-PERP-BUND	CIS Bundle All	Perpetual license for all available CIS content.	\$ 183.75
NVA-CIS-SUB-BUND	CIS Bundle Annual Subscription	One year subscription for all available CIS content. Support provided at the same level of device licenses. CIS content dependent on content availability by third party.	\$ 91.88
NVA-CIS-SUB-BUND-PLUS	CIS Bundle Annual Subscription Plus	One year subscription for all available CIS content. Support provided at the same level of device licenses. CIS content dependent on content availability by third party.	\$ 95.55
NVA-DEV-1YR-SUB	Device Annual Subscription - Layer 3	Device annual subscription for one layer 3 packet processing device. Licenses not transferrable once used. Includes Premium support.	\$ 612.50
NVA-DEV-1YR-SUB-LT	Device Annual Subscription - Layer 3 in L2 mode or L3 device without routing	Device annual subscription for one layer 3 packet processing device within L2 mode environment or L3 device without routing. Licenses not transferrable once used. Includes Premium support.	\$ 162.93
NVA-DEV-1YR-SUB-LT-PLUS	Device Annual Plus Subscription - Layer 3 in L2 mode or L3 device without routing	Device annual subscription for one layer 3 packet processing device within L2 mode environment or L3 device without routing. Licenses not transferrable once used. Includes Premium Plus support.	\$ 169.44
NVA-DEV-1YR-SUB-PLUS	Device Annual Subscription Plus - Layer 3	Device annual subscription for one layer 3 packet processing device. Licenses not transferrable once used. Includes Premium Plus support.	\$ 637.00
NVA-DEV-PERP	Device Perpetual License - Layer 3	Device Perpetual License for one layer 3 packet processing device. Licenses not transferrable once used.	\$ 1,225.00
NVA-DEV-PERP-LT	Device Perpetual License - Layer 3 in L2 mode or L3 device without routing	Device Perpetual License for one layer 3 packet processing device within L2 mode environment or L3 device without routing. Licenses not transferrable once used.	\$ 306.25
NVA-DEV-SPMULT-SUB	Reusable Device 3 Year Subscription License - Layer 3	Devices can be moved to other clients of the Service Provider upon completion of analysis services. Includes Premium Support. Can only be used for SP client networks.	\$ 4,042.50
NVA-DEV-TERM-SUB	Device 30 Day Subscription - Layer 3	30 days subscription per layer 3 packet processing device. Includes Premium support. Licenses must be used within 1 year after purchase. Licenses not transferrable once used. License expires 30 days after issuance.	\$ 245.00
NVA-GCP-30DAY-SUB	Google Cloud Platform Virtual Private Cloud 30 Day Subscription	30 Day Subscription License to model 1 Google Virtual Private Cloud. Licenses not transferable once used. Includes Premium Support.	\$ 2,744.00
NVA-GCP-PERP	Google Cloud Platform Virtual Private Cloud License Perpetual	Perpetual License to model 1 Google Virtual Private Cloud.	\$ 9,800.00
NVA-GCP-SUB	Google Cloud Platform Virtual Private Cloud Annual Subscription	Annual Subscription License to model 1 Google Virtual Private Cloud. Licenses not transferable once used. Includes Premium Support.	\$ 2,744.00
NVA-GCP-SUB-PLUS	Google Cloud Platform Virtual Private Cloud Annual Plus Subscription	Annual Subscription License to model 1 Google Virtual Private Cloud. Licenses not transferable once used. Includes Premium Plus Support.	\$ 2,853.76
NVA-IRL2-1YR-SUB	Device Annual Subscription Incident Response & Layer 2	Device annual subscription for one layer 2 device. Includes Incident Response. Licenses not transferrable once used. Includes Premium support.	\$ 171.07
NVA-IRL2-1YR-SUB-PLUS	Device Annual Subscription Plus - Incident Response & Layer 2	Device annual subscription for one layer 2 device. Includes Incident Response. Licenses not transferrable once used. Includes Premium Plus support.	\$ 177.92

NVA-IRL2-30DAY-SUB	Device 30 Day Subscription Incident Response & Layer 2	30 days subscription per layer 2 device. Includes incident response. Licenses not transferrable once used. Includes Premium support. License issuance requires minimum of 50 devices per engagement. License expires 30 days after issuance.	\$	51.45
NVA-IRL2-PERP	Device Perpetual License-Incident Response & Layer 2	Device Perpetual License for one layer 2 device. Includes Incident Response. Licenses not transferable once used.	\$	321.57
NVA-NSX-30DAY-SUB	VMWare NSX Software Defined Data Center 30 Day Subscription	30 Day Subscription License to model 1 VMWare Software Defined Data Center. Licenses not transferrable once used. Includes Premium Support.	\$	2,744.00
NVA-NSX-PERP	VMWare NSX Software Defined Data Center Perpetual	Perpetual License to model 1 VMWare NSX Software Defined Data Center	\$	9,800.00
NVA-NSX-SUB	VMWare NSX Software Defined Data Center Annual Subscription	Annual Subscription License to model 1 VMWare NSX Software Defined Data Center. Licenses not transferable once used. Includes Premium Support.	\$	2,744.00
NVA-NSX-SUB-PLUS	VMWare NSX Software Defined Data Center Annual Subscription Plus	Annual Subscription License to model 1 VMWare NSX Software Defined Data Center. Licenses not transferable once used. Includes Premium Plus Support.	\$	2,853.76
NVA-OCI-VCN-30DAY-SUB	OCI VCN Web Services Virtual Cloud Network 30 Day Subscription	30 Day Subscription License to model 1 Virtual Oracle Cloud Network. Licenses not transferrable once used. Includes Premium Support.	\$	2,744.00
NVA-OCI-VCN-PERP	OCI VCN Web Services Virtual Cloud Network License Perpetual	Perpetual License to model 1 Virtual Oracle Cloud Network	\$	9,800.00
NVA-OCI-VCN-SUB	OCI VCN Web Services Virtual Cloud Network Annual Subscription	Annual Subscription License to model 1 Virtual Oracle Cloud Network. Licenses not transferrable once used. Includes Premium Support.	\$	2,744.00
NVA-OCI-VCN-SUB-PLUS	OCI VCN Web Services Virtual Cloud Network Annual Subscription Plus	Annual Subscription License to model 1 Virtual Oracle Cloud Network. Licenses not transferrable once used. Includes Premium Plus Support.	\$	2,853.76
NVA-RBL2-1YR-SUB	Remote Office / Branch Office / Retail Store Annual Subscription Incident Response & Layer 2	Annual subscription per Device for up to 3 layer 2 devices located at small remote sites that connect back to the Customer's corporate network. Includes Incident Response. Include Premium Support.	\$	80.40
NVA-RBL2-1YR-SUB-PLUS	Remote Office / Branch Office / Retail Store Annual Plus Subscription Incident Response & Layer 2	Annual subscription per Device for up to 3 layer 2 devices located at small remote sites that connect back to the Customer's corporate network. Includes Incident Response. Include Premium Plus Support.	\$	83.61
NVA-RBL2-30DAY-SUB	Remote Office / Branch Office / Retail Store 30 Day Subscription Incident Response & Layer 2	30 day subscription per Device for up to 3 layer 2 devices located at small remote sites that connect back to the Customer's corporate network. Includes Incident Response. Includes Premium Support.	\$	32.15
NVA-RBL2-PERP	Remote Office / Branch Office / Retail Store Perpetual Incident Response & Layer 2	Perpetual License per Device for up to 5 layer 2 devices located at small remote sites that connect back to the Customer's corporate network. Includes Incident Response.	\$	88.29
NVA-RBL3-1YR-SUB	Remote Office / Branch Office / Retail Store Annual Subscription - Layer 3	Annual subscription per Device for up to 3 layer 3 packet processing devices located at small remote sites that connect back to the Customer's corporate network. Includes Premium Support.	\$	306.25
NVA-RBL3-1YR-SUB-PLUS	Remote Office / Branch Office / Retail Store Annual Subscription Plus - Layer 3	Annual subscription per Device for up to 3 layer 3 packet processing devices located at small remote sites that connect back to the Customer's corporate network. Includes Premium Support.	\$	318.50
NVA-RBL3-30DAY-SUB	Remote Office / Branch Office / Retail Store 30 Day Subscription Layer 3	30 day subscription per Device for up to 3 layer 3 packet processing devices located at small remote sites that connect back to the Customer's corporate network. Includes Premium Support.	\$	122.50
